2. COMMUNICATION:

It has been brought to the attention of the International Bureau that in respect of the above-identified application, despite the applicant's written request – addressed to both the receiving Office (RO/GB) and the International Bureau on 13 October 2003 to correct a priority claim number under Rule 26bis – the international publication No. WO 03/083874 published on 09 October 2003 (09.10.03) erroneously indicated, on the front page under item (30), the earlier application number as "0028092.5". The correct number should read "0207160.3".

The International Bureau shall republish a correction in Section II of the PCT Gazette. A corrected version of the front page of the corresponding PCT pamphlet will be published as early as possible.

A copy of this notification is being sent to the receiving Office (RO/GB), the International Preliminary Examination Authority, and to the designated/elected Offices concerned.
